December 2016..... Volume 21.3

From Our 2016-2017 President, Tom Wiggers

As we approach the holiday season, we should take time to recognize and be grateful for our many blessings: life, health, country and security. We are truly blessed! I am very grateful, also, for all of our members and their generosity of time, talents and treasure. We are a force for good in our community.

I hope you will find time in your busy schedule to join us for our traditional Christmas feast on Thursday, December 8. We will be treated to a performance of holiday music by the North High School choir. Remember to get your reservations in early. Also, remember that luncheon cost has gone up to \$12. Please, bring exact change or a check, that helps expedite the check in process. You must have your reservation in or cancelled by Tuesday, December 6.

We will collect monetary contributions for the Albion Fellows Bacon Center at the luncheon. Their need for support is always great, but especially at this time of year as the incidence of domestic abuse does increase over the holidays. I share with you a synopsis of the purpose of the center:

* Albion is a domestic and sexual violence agency with a mission to prevent domestic and sexual violence and empower victims through advocacy, education, support services and collaborative partnerships. Probably best known as a domestic violence shelter, Albion is the only agency in the area known as a Rape Crisis Center. It is also the only agency in the immediate area with a primary prevention program for middle and high school youth. It serves three times as people in their non-residential Outreach program than in their shelter. Last year, they served 700+ adults and children in their shelter.*

Your support will help to bring support, safety and some amount of joy to lives severely disrupted by abuse. Please be generous!

I look forward to seeing you at the luncheon! Blessings to all of you and yours! Tom

The third ERTA luncheon and Christmas celebration for this school year will be held on Thursday, December 8, 2016, at the American Baptist East Church at 6300 Washington Avenue. We will start at 11:30 for socializing, and lunch will follow at 12 noon. The cost is \$12. North High School Choir will provide the program.

Please reply to this e-mail by Monday, November 28, only if you plan to attend and include your name and number of reservations.

Reminder: If you need to cancel a reservation you made, please call Brenda Beeler (812-422-1637) or e-mail dianaeluck@gmail.com ASAP.

Message from Our President-Elect, Terry Becker

Well if it isn't that time of year again. Funny how fast the years roll by these days! Yesterday I was complaining about the heat and humidity, and now it's time to carve the turkey and put up the Christmas tree. And I, for one, can't wait to see so many of my friends and colleagues at this year's ERTA Holiday Luncheon. This (along with a recent conversation with one of my former students) takes me back to one of my favorite Holiday memories.

High school choirs, as many of you know, approach the holidays in a slightly different way than many other people. Rather than waiting for Christmas Vacation followed by a gift exchange on Christmas day, their holiday celebration actually starts the week after Thanksgiving with multiple performances for local Holiday parties. Remembering back to my years at Thompkins, North and Signature School, there were Civic groups, church groups, nursing homes and the Retired Teachers Association luncheons, not to mention a final evening concert for parents and friends, and maybe a short assembly at school on the last day before break. (Do they even do that anymore?) There were nights when we would do two and three performances with small groups from the choir. My car's back seat almost always had an electric keyboard stretched from door to door. Sometimes we had 16 singers - other times 5 or 6. As long as we could cover the parts, we were there. Some days we rushed out during our lunch period to cover a particularly lucrative performance for a bank's holiday luncheon or the Downtown Kiwanis Christmas party. We carried candy canes, fake presents, Santa hats and stale fruitcakes. There were young soloists who suddenly "came to life" on the stage of a local retirement home, and others who discovered just how scary it could be to sing in front of an audience. For three weeks we were out in the community sharing the spirit of Christmas. It was exhausting, rewarding and fun!

At our December luncheon we will again be getting into the spirit of the season with a short concert by a group of talented singers from North High School. They will hopefully leave us with a fresh sense of hope and excitement about the upcoming holiday. We, as teachers, will get a small reminder of how that boundless teenage energy can be channeled into a collaborative art! Enjoy the show. Give them some applause and a compliment if you get the chance. I will be the guy over to one side with the goofy grin on my face, because I know how much fun they are having. Already halfway through their holiday season, they are creating rich memories that last a lifetime. It just doesn't get any better!
